States that he intends to hold a vidwatsabha at Sosale in the month of Phalguna and requests that a sum of Rs 2000/- for Santarpane & other charges and a further sum of Rs 5000/- for prizes may be sanctioned

NOTES AND ORDERS.

The Swamigalu states that the whole cost of the Sabha has to be met from Matt funds this year and that in future years contributions from the disciples of the Matt may be expected. To ensure that the money is well spent

The estimates viz, Rs 2000/- for feeding expenses and 5000/- for Sankhavana (prizes) to pandits appear to me to be too high. The institution is just being ~~placed~~ brought to ~~a~~ some condition of financial stability by the careful husbanding of its resources under the management of Govt, and recently when the Swamigales asked for a large increase of the grants towards the monthly and other expenditure of the matt, he was informed that Govt could not sanction any increases until the Mug. Inspdt had visited the head quarters of the matt and had a discussion with the Swamigale about the urgent needs of the matt &c.

It has come to the notice of Govt and the Mug Inspdt on some previous occasions that the P. L. rates

of expenditure proposed for different purposes at different times have invariably been unduly high and that by careful scrutiny and and management on the part of the Inspl Supdt, ~~the expenditure~~ it has been possible to reduce the expenditure very considerably.

In the present instance, there is, of course, nothing to be said against the holding of the Sabha and the incurring of some expenditure towards it. But the estimate can, ~~is~~ and must in my opinion be considerably reduced. ~~That~~ It has to be taken into account also that the Matt will receive substantial contributions from its disciples on such special occasions. Taking ~~all~~ these circumstances, into consideration, ~~the amount to be allowed~~, as well as ~~also~~ the comparatively small amount available at the credit of the Institution, it seems to me that not more than Rs 4000/- should be sanctd for this extra-ordinary expenditure. About Rs 1000 or 1500 for feeding expenses and Rs 3000 or 2500 for Sambhavana, should I think be ample

The expenditure being

by good, the Nagari Subdt may be asked to settle details or submit a report as to who may be entrusted with the amount, how the accounts may be kept &c, in consultation with the Swamigalu and the local revenue Officers, if necessary. This procedure is suggested because the Swamigalu himself has offered alternative suggestions viz ~~that~~ the money may be given over to them or to a committee of management working under his instructions. If no such arrangements as noted above, are considered necessary, the amount may be given to the Swamigalu and ~~detailed~~ accounts of expenditure obtained from them.

I do not think it necessary for Govt to appoint any Committee or to otherwise Concern itself with the management

The object is a good one but as the Mathas resources are rather slender 3500R may be sanctioned both for feeding & presents &c.

to the ~~file~~ note on the file, the balance at the credit of the Matha is 14000Rs odd. It seems too late to prohibit the Sabha as the prestige of the Matha may thereby be affected. I would sanction the amount on the strict condition that the Matha shall not spend a pie more or incur any debts for this purpose.

Perhaps it would be just as well to direct that the Asst Supdt or other officer deputed by Govt should scrutinise & control all expenditure incurred.
